Re: Docket No. 93
Case No. 23-10852 (KBO)

To Whom It May Concern:

I received a letter on July 13, 2023 from the United States Bankruptcy Court, District of Delaware informing me that I had a Chapter 11 Bankruptcy in reference to a Company carrying the name of iMedia Brands, et al. I have no knowledge of said company. I am not owner nor am I part owner in said company. I don't understand why my name had been attached to said company. And I truly don't understand the purpose of my receiving this letter for bankruptcy.

Yours truly,

Martha Dunston
